SECOND COLLECTION

There will be a second collection immediately following the first collection. This second collection will help us with our ongoing building expenses. Guardian Angel Cathedral is the oldest standing building on the iconic Las Vegas Strip. It is starting to show signs of its age that our regular offertory collection and budget simply cannot cover. A portion of this collection will also allow us to assist local charities that help the poor, needy, and vulnerable right here in Las Vegas. We thank you for your generosity.

ONLINE GIVING

Forgot your checkbook at home? Did the slot machine eat all of your cash? Please consider supporting the Catholic ministry of the Cathedral on the Las Vegas Strip by giving safely and securely online. Simply scan the QR code to give. Thank you!

HISTORY OF THE CATHEDRAL

Guardian Angel Cathedral is the oldest standing public structure along the iconic Las Vegas Strip. It is unique not only for its magnificent windows, mosaics, mural, and architectural design but also for its origin and history. The beginnings go back to 1958 when the Clerics of St. Viator began the celebration of a 4:30 AM Sunday Mass at various hotels on the Strip to accommodate hotel/casino workers and visitors. The present church became a reality in 1963 as the "Guardian Angel Shrine."

When the Diocese of Reno became the Diocese of Reno-Las Vegas in 1977, the Shrine was designated as the Co-Cathedral of the Catholic Church in Nevada. In 1995 the Diocese of Las Vegas was established with Guardian Angel Cathedral as the Cathedral of the Diocese of Las Vegas. In May 2023, it was elevated to the Metropolitan Cathedral for the new Ecclesiastical Province.

In 1988, Guardian Angel Cathedral received an Indult, a special permission, from Rome for the 2:30 PM Saturday Mass to be recognized as a vigil Mass. Since ninety percent of the participants in our Eucharistic celebrations are visitors from all over the world, this Mass is a great help in caring for those who wish to fulfill their Sunday obligation.
