SCRIPTURAL REFLECTION

The readings today remind us that poetic imagery is an apt way of describing the mysterious presence of God in our midst. The cedar began as a seedling that takes years to grow into a magnificent tree. The same is true of the mustard tree. It too requires time to develop its trunk and branches. The development of moral integrity in a human being is just as gradual. Rooted in God, it flourishes in God's presence and it produces fruit even into old age. Although God is present in all things, sustaining them and allowing them to follow their natural courses, God really transcends all things. Metaphorical language may be the best means for speaking about God and the things of God. It enables us to live in the tension that both reveals something about God and conceals God's real nature.

The reign of God also begins in very ordinary circumstances, and it matures gradually until it has spread itself far and wide. Although the mystery of the reign of God unfolds within human history, we need eyes of faith to recognize it. Like the cedar and the mustard seed, it grows within the concreteness of human experience. Just as the life force that thrusts the branches of the trees further and further out cannot itself be seen, so the reign of God is mysterious, even incomprehensible. Still, it is there, inviting us, urging us to move forward, transforming our world.

To all of our wonderful volunteers, a special thank you for your gift of time and talent as you keep our many ministries staffed so that we can be a welcoming place for visitors from around the world. SECOND COLLECTION

This week's second collection will help us reach our 2024 Catholic Stewardship Appeal goal, which funds the recruitment and education of priests right here in Las Vegas. It also provides pastoral outreach to the sick, poor, and vulnerable living right in our community. The campaign also funds religious education programs for both children and adults. Thanks to the generosity of parishioners and visitors, we are now just about \$30,000 away from our goal. Thank you for helping us to grow the Catholic faith and serve the needy right here in Las Vegas!

HISTORY OF THE CATHEDRAL

Guardian Angel Cathedral is the oldest standing public structure along the iconic Las Vegas Strip. It is unique not only for its magnificent windows, mosaics, mural, and architectural design but also for its origin and history. The beginnings go back to 1958 when the Clerics of St. Viator began the celebration of a 4:30 AM Sunday Mass at various hotels on the Strip to accommodate hotel/casino workers and visitors. The present church became a reality in 1963 as the "Guardian Angel Shrine."

When the Diocese of Reno became the Diocese of Reno-Las Vegas in 1977, the Shrine was designated as the Co-Cathedral of the Catholic Church in Nevada. In 1995 the Diocese of Las Vegas was established with Guardian Angel Cathedral as the Cathedral of the Diocese of Las Vegas. In May 2023, it was elevated to the Metropolitan Cathedral for the new Ecclesiastical Province.

In 1988, Guardian Angel Cathedral received an Indult, a special permission, from Rome for the 2:30 PM Saturday Mass to be recognized as a vigil Mass. Since ninety percent of the participants in our Eucharistic celebrations are visitors from all over the world, this Mass is a great help in caring for those who wish to fulfill their Sunday obligation.
